April 15, 1968

Mr. H. Thomas Austern
Covington & Burling
Union Trust Building
Washington, D. C. 20005

Dear Tom:

In reply to your circular letter of April 9, 1968, we have no suggestions for further modification of the "Proposed Memorandum to be Filed With the FTC Urging that Industry Recommended Methodology Produces Greater Precision."

With best regards.

Sincerely yours,

H Wake
